Education

Skill Academy By Testbook Full Stack Career Program	Sep 2021 - Ongoing
JECRC University, Jaipur B.Tech (EE), 6.32 CGPA	2020
DSW Evening College, Maharashtra Class 12, MSBE, 71%	2014
RPS School, Biharsharif Class 10, CBSE, 8.40 GPA	2012

Technical Skills

Front-End: HTML, CSS, Bootstrap, JavaScript, React.js

Back-End: Python, Express, Node.js

Database: SQL, MongoDB*

*in progress

Projects

1. Insta Share (Mini Project)

Developed an Instagram clone app, a dynamic web application using Reactjs.

1.1. Implemented Authentication

1.2. When an unauthenticated user tries to navigate home or user details page then the user redirects to the login page, when an authenticated user tries to navigate to the login page then the user redirects to the home page. This function is easily implemented by Protected Route using cookies, redirect and route.

1.3. When a user clicks on a specific username then navigates to that particular user details route where more information is brought through that username using API Calls.

1.4. Implemented third party packages like React Slick to display user stories.

1.5. Implemented search feature to filter posts by their caption.

Technologies Used: HTML, CSS, Reactjs, REST API Calls
