

# Interview Questions

Hello Learners,

Following are the Top 5 Interview Questions:-

- Tell about yourself & please emphasize on your educational & professional journey
- Why do you want to apply for this role?
- What are your professional goals 5 years from now?
- Why do you think you are the correct candidate for this role?
- What are your salary expectations?

Students are required to send the submission in a document & by creating a zip file of the same. Students can make all the necessary assumptions around the questions.

For example:- If you are a student of Business Analyst you can assume that the role that you are interviewing for is of a Business Analyst.

Thank you,
